Garden Flat Residence 3 offers 2 bedrooms and 2 bathrooms across approximately 947 square feet, with a layout centered around open-concept living. The main living areas connect seamlessly and lead to a private deck located just off the dining space, creating a natural extension outdoors. The owner's suite includes a shower with a built-in bench, adding an elevated touch to the space. A washer and dryer closet with standard upper cabinets is thoughtfully placed within the home. **See Agent for More Details.**
