Garden Flat Residence 5 offers 2 bedrooms and 2 bathrooms within approximately 1,166 square feet, making it one of the more spacious plans in the collection. The open-concept living area connects to a long, extended deck off the living room, creating a strong indoor-outdoor connection. The owner's suite includes a shower with a built-in seat, while bedroom two features a walk-in closet for added storage. A washer and dryer closet with standard upper cabinets is included for convenience. **See Agent for More Details.**
