3 Bath

2 Car Garage

With approximately 1,608 square feet of living space, Plan 4 offers flexibility and comfort for a variety of lifestyles. A private porch entry leads to a welcoming foyer, where a first-floor work center or optional powder bath adds convenience. The second floor showcases an open-concept kitchen, dining, and great room, ideal for entertaining. Two decks offer additional outdoor spaces, enhancing the home's livability.

The primary suite is a true retreat, featuring a spacious walk-in closet, a beautifully appointed en-suite bath with a seated shower and its own private deck. Two additional bedrooms provide plenty of space for family, guests, or a home office, while a two-car garage ensures storage and parking needs are met. **Please see agent for more information.**
