Offering **approximately 1,143 square feet** of living space, this two-bedroom, two-and-a-half-bath home combines smart design with an open layout. The first floor begins with a welcoming front porch and entry that leads upstairs to the main living area, where the kitchen, dining, and living spaces connect naturally and open to a private deck.

On the top floor, both bedrooms include a walk-in closet and private bathroom, offering space and separation for residents or guests. Laundry is conveniently located near the bedrooms for easy access. A two-car garage provides additional storage and flexibility for your needs. **See Agent for More Details.**
