With approximately 1,400 square feet, Plan 2 offers a functional layout designed for modern living. A shared porch leads to a private entry where upstairs is a centrally located kitchen with easy access to the pantry, coat closet, and linen storage, ensuring effortless organization.

The primary suite is a relaxing retreat with a seated shower and a well-appointed walk-in closet. A second bedroom and bath provide additional space, making this home ideal for small families, roommates, or guests. A two-car garage adds convenience to this thoughtfully designed residence. **Please see agent for more information.**
