Residence 2 is a versatile home designed for flexibility and ease. With three bedrooms and three full baths, this plan provides room for family, guests, or a dedicated home office. A main-level bedroom off the gathering room is perfect for overnight visitors, extended family, or creating a private retreat away from the upstairs bedrooms. The second floor centers around an open kitchen, dining, and gathering room with direct access to a private deck, an ideal spot to relax or extend the living space outdoors.

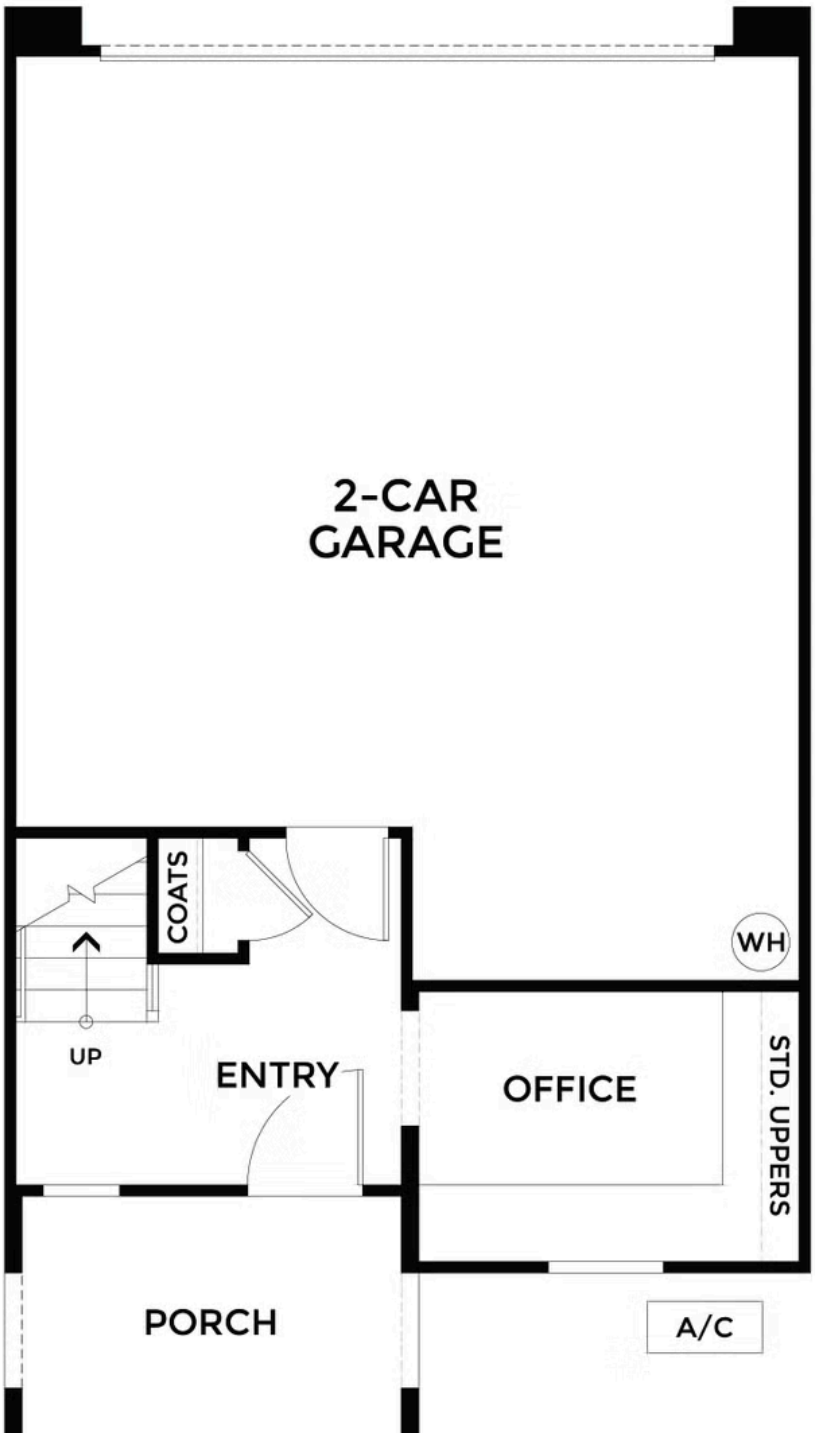

Upstairs, the luxurious owner's suite is a private haven with a spa-inspired bath featuring dual sinks and a seated shower. A dedicated work center on the first level makes it easy to balance productivity and relaxation, while the two-car garage offers ample storage. Residence 2's blend of open living areas, private retreats, and outdoor connection makes it a home designed for both entertaining and every day living. **See Agent for more details.**
