Cattle Ridge Residence 2 invites you to embrace 2,153 square feet of elevated living, where elegance and comfort seamlessly come together. This two-story stunner features 4 bedrooms, 3 full bathrooms, and a flexible loft, all designed to create a perfect blend of style and practicality. The first-floor bedroom and full bath offer a welcoming haven for guests or an ideal space for multi-generational living.

The heart of the home is designed for entertainment, with a seamless layout connecting the kitchen, dining, and living areas, perfectly suited for any occasion. Take the experience outdoors with an optional covered patio, turning your backyard into a dreamy alfresco retreat for sunrise coffees, afternoons lounging, or star-filled evenings under the open sky.
