2 Story

5 Bed

4.5 Bath

3 Car Garage

Residence 13 offers approx. 3,400 square feet of expansive living with 5 bedrooms, 4.5 bathrooms, and refined design throughout. The entry opens to a formal living and dining room, leading into a spacious gathering area where the kitchen, dining nook, and great room come together in one bright, open space. A butler's pantry off the kitchen provides added storage and prep space for entertaining or everyday use.

A private downstairs suite includes its own walk-in closet and full bath, making it ideal for guest or extended family. Upstairs, a flexible loft provides room for a media space, study area, or second living room. The luxurious owner's suite features a spacious bath and a large walk-in closet. Complete with a three-car tandem garage, optional covered patio, and a choice of
